

2021 Cultural Alliance Professional Development Grant Cycle Dates/Information

Overview:

- You may apply at any time, and can only submit one application at a time. Once a decision has been made on your application, you may submit again if you choose.
- When applying for funding, choose the quarter in which the funding would be **used OR the quarter in which you need to have funding secured.**
- Your application should demonstrate that:
 - Your proposal has the potential to move your art practice and career forward **or adapt to/change directions due to the pandemic.**
 - You have the capacity to follow through on your proposal
 - Your proposal is timely, meaning you are in a prime position to benefit from the opportunity.
- The strength and cohesion of your work will also be considered as a part of your application.
- You may only receive a Professional Development grant **once per year.**

Grant Information Sessions:

Information sessions will occur approximately 4-6 weeks before each quarter's applications are due online via zoom. Check our Facebook page for the most current dates.

Post-Impact Report:

We will request a brief report about the impact the grant had for you either short, or long term. These are due 6 months after the end of the funded quarter.
